SENECA FAMILY OF AGENCIES FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of Seneca Family of Agencies (the FFA) in December 2014. The FFA has three licensed offices; one located in Orange County, one located in San Bernardino County and one located in Monterey County. At the time of the review, the Orange County office was the only office providing services to the County of Los Angeles DCFS placed children. According to the FFA's program statement, its stated mission is "to provide adoption, guardianship, or emancipation from foster care with connection to one or more adults."

At the time of the review, the FFA supervised 32 DCFS placed children in 13 Certified Foster Homes (CFHs). The placed children's average length of placement was seven months and their average age was 8.

SUMMARY

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe in the FFA's CFHs; having been provided with good care and appropriate services; being comfortable in their environment; and treated with respect and dignity. The certified foster parents (CFPs) reported they were supported by the FFA in their efforts to provide care, supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with 8 of 11 areas of the Contract Compliance Review: Facility and Environment; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

CAD noted deficiencies in the areas of: Licensure/Contract Requirements, related to Special Incident Reports (SIRs) not being submitted timely and appropriately cross-reported; CFHs, related

"To Enrich Lives Through Effective and Caring Services"

to the FFA not completing safety inspections at least every six months; Maintenance of Required Documentation and Service Delivery, related to initial and updated NSPs not being completed timely and quarterly reports not being completed timely.

Attached are the details of CAD's review.

REVIEW OF REPORT

On January 29, 2015 Patricia Kirkpatrick, DCFS CAD and Jui-Ling Ho, Out-of-Home Care Management Division (OHCMD) held an Exit Conference with the FFA's representatives: Sherie Dechter, Program Director and Kimberly Nguyen, Case Assistant. The FFA representatives were in agreement with the review findings, were receptive to implementing systemic changes to improve compliance with regulatory standards and agreed to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this report has been sent to the Auditor-Controller and Community Care Licensing.

The FFA provided the attached approved Compliance CAP addressing the recommendations noted in this report.

CAD conducted a follow-up visit on May 4, 2015 to verify implementation of the CAP. The OHCMD will provide technical assistance prior to the next Contract Compliance Review.

CONTRACT COMPLIANCE REVIEW
FISCAL YEAR 2014-2015**

SCOPE OF REVIEW

The following report is based on a “point in time” visit. This compliance report addresses findings noted during the December 2014 review. The purpose of this review was to assess Seneca Family of Agencies Foster Family Agency’s (the FFA’s) compliance with its County contract and State regulations and included a review of the FFA’s program statement as well as internal administrative policies and procedures. The compliance review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social/Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, six placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed five children, as one child was too young to be interviewed. All six case files were reviewed to assess the care and services the children received. Additionally, four discharged children’s files were reviewed to assess the FFA’s compliance with permanency efforts. At the time of the review, one placed child was prescribed psychotropic medication. The child’s case file was reviewed to assess for timeliness of Psychotropic Medication Authorization and to confirm the required documentation of psychiatric monitoring.

CAD reviewed six Certified Foster Parent (CFP) files and five staff files for compliance with Title 22 regulations and County contract requirements. Interviews were conducted with six CFPs to assess the quality of care and supervision provided to the children.

CONTRACTUAL COMPLIANCE

CAD found the following three areas out of compliance:

Licensure/Contract Requirements

- Special Incident Reports (SIRs) were not submitted timely and not appropriately cross-reported.

The FFA did not submit 11 SIRs timely via the I-Track database and did not appropriately cross-report 11 SIRs to the Out-of-Home Care Management Division (OHCMD).

PAGE 2

During the Exit Conference, the FFA representatives stated that the FFA had been experiencing difficulty accessing the I-Track database and they were working with OHCMMD to resolve the issue.

CAD conducted a follow-up visit on May 4, 2015 and was provided with copies of I-Track printouts showing that the FFA is now able to access the I-Track database. The FFA representative stated that they are now submitting all SIRs through the I-Track database and cross-reporting to OHCMMD as required. On May 6, 2015, CAD obtained confirmation from OHCMMD that the FFA has been timely submitting and appropriately cross-reporting their SIRs.

Recommendation:

The FFA's management shall ensure that:

1. All SIRs are submitted timely and appropriately cross-reported in accordance with the SIR reporting guidelines for FFAs.

Certified Foster Homes

- Safety inspections were not completed at least every six months.

The FFA completes a safety inspection prior to initial certification, then once a year at the time of re-certification. The FFA was completing safety inspections of their Certified Foster Homes (CFHs) annually, but not at six month intervals as required in the FFA contract.

During the Exit Conference, the FFA representatives stated that they would ensure that the FFA's social workers complete safety inspections of all their CFHs every six months.

CAD conducted a follow-up visit on May 4, 2015 and verified that the FFA has implemented a new tracking system in their database to ensure that safety inspections of all their CFHs are completed every six months.

Recommendation:

The FFA's management shall ensure that:

2. Safety inspections of all CFHs are completed at least every six months.

Maintenance of Required Documentation/Service Delivery

- FFA social workers did not develop timely initial Needs and Services Plans (NSPs) with child's participation.

Three children's initial NSPs were not completed timely. One child's NSP with a due date of April 14, 2014, was not completed until May 8, 2014; another child's initial NSP due March 13, 2014, was not completed until April 7, 2014; and a third child's initial NSP due July 6, 2014, was not completed until July 14, 2014.

- FFA social workers did not develop timely updated NSPs with child's participation.

PAGE 3

Two children's updated NSPs were not completed timely. One child's updated NSP due June 14, 2014, was not completed until August 25, 2014; and another child's updated NSP due August 3, 2014, was not completed until August 26, 2014.

- FFA social workers did not develop timely, comprehensive quarterly reports.

Two children's quarterly reports were not completed timely. One child's quarterly report due June 14, 2014, was not completed until August 25, 2014; and another child's quarterly report due August 3, 2014, was not completed until August 26, 2014.

During the Exit Conference, the FFA representatives stated that the FFA social workers will work with the CFPs, children and County Children's Social Workers (CSWs) to ensure that all initial NSPs, updated NSPs and quarterly reports are completed timely. Additionally, the FFA will require that FFA social workers submit completed NSPs to their supervisors at least one week prior to the due date to further ensure full compliance.

CAD conducted a follow-up visit on May 4, 2015 and reviewed two children's initial and updated NSPs and quarterly reports. It was noted that the NSPs and quarterly reports that were completed subsequent to the Exit Conference were completed timely.

Recommendations:

The FFA's management shall ensure that:

3. FFA social workers develop timely initial NSPs with the child's participation.
4. FFA social workers develop timely updated NSPs with the child's participation.
5. FFA social workers develop timely, comprehensive quarterly reports.

PRIOR YEAR FOLLOW-UP FROM DCFS OHCMD'S FFA CONTRACT COMPLIANCE REVIEW

The OHCMD's last compliance report dated December 11, 2013, identified three recommendations.

Results:

Based on the results of this review, the FFA successfully implemented 3 of 3 recommendations, for which they were to ensure that:

- OHCMD is contacted for historical abuse/neglect background information regarding prospective CFPs prior to certification and documentation will be maintained in the CFPs' files.
- All CFP's criminal background statements are signed prior to certification.
- All placed children/youth are enrolled in school within three school days of placement.

At the Exit Conference, the FFA representatives expressed their desire to remain in compliance with Title 22 regulations and Contract requirements.

On May 4, 2015, CAD conducted a follow-up visit to ensure implementation of the new protocol and verified that the FFA had implemented 5 of 5 recommendations noted in this report. CAD will continue to assess for implementation of the recommendations during the next review. OHCMD will provide ongoing support and technical assistance prior to the next review.
